

Prescription Coverage Worksheet

Free printable educational worksheet — updated October 2026

- List every prescription, dosage, and frequency.
- Record your preferred pharmacies and whether mail order works for you.
- Check each medication against the specific plan formulary and tier.
- Compare annual premium, deductible, copays, and estimated annual drug costs.
- Ask whether you may qualify for Extra Help or, in New York at age 65+, EPIC.

For official eligibility rules and applications, consult [Medicare.gov](https://www.medicare.gov) and your state agency. This guide is informational, not legal, medical, or benefits eligibility advice.
